

St Joseph's College Subject Curriculum Map: ART

Curriculum Intent

The Art Curriculum works alongside the National Curriculum where we investigate using the Research, Respond, Refine and Final piece of work assessment that works alongside the GCSE/A Level framework. Students have overall themes which explore multiple artists, media and ideas that build their understanding of the subject, artist, and world. It aims to foster students' creativity, technical skills, and artistic expression. It provides a progressive and holistic learning experience, exploring diverse mediums, art history, and contemporary practices. Through continuous development and revisiting themes, it cultivates lifelong appreciation for art and nurtures well-rounded artists.

	Year Group	Autumn Term		Spring Term		Summer Term	
		Half Term 1	Half Term 2	Half Term 3	Half Term 4	Half Term 5	Half Term 6
Key Stage 3	7	Still life/Induction & Elements of Art	Elements of Art	Green & Spikey	Green & Spikey	Insects	Insects
