

ST JOSEPH'S COLLEGE

29th April 2024

Dear Parents / Carers,

Year 8 Parents Academic Review Virtual Evening
Tuesday 14th May 2024 - 3.30 pm to 6.00 pm
<https://SJCdelasalle.schoolcloud.co.uk/>

Our Year 8 Parents Academic Review Evening will be held **virtually**, on **Tuesday 14th May 2024**. We will be using the SchoolCloud online video system again. Please take a few moments to read the information below to ensure a smooth booking and meeting experience. The SchoolCloud link is above.

The purpose of this meeting is to discuss what has been going well and what your son can do moving forward to improve his academic progress. Booking appointments will go 'live' from **6 pm on Monday 29th April 2024**. Please book early as teachers only have limited appointment slots available.

Bookings and interviews can be made on laptops or mobile devices. **The system will not work on Internet Explorer**, a more modern browser such as Chrome, Edge or Safari is needed. Appointments are 5 minutes long and they are timed. The link for the system is repeated here: <https://SJCdelasalle.schoolcloud.co.uk/>

When you are ready to book, please click on the link and enter the date of birth for your son. You can test this link beforehand, but there will be no bookings available until it goes live. The information to log in must match what we have on our database for your son. The booking system is very intuitive, but there is a PDF guide attached that will guide you through the process.

- You will get an email confirming the bookings you have made and a reminder on the day.

On the day please ensure you have your device is set up and ready in good time for your first appointment. **Please check the web browser you are using and ensure that you have a strong internet signal.**

Appointments are **strictly 5 minutes long** and the teacher will have no control over this. All conversations must be finished in time (there is a countdown timer) or you will be cut off.

Please do test the link when you receive it and make sure you can access the system. If you experience any issues, please contact me (scabrera@sjc.ac)

Kind regards,

Mr S Cabrera - Director of Development
