Dear Parents/Carers

The College are looking for volunteers amongst the parents/carers to help the PTA at Parents' Evenings held during the course of the year so that we can provide light refreshments during the evening for parents and staff.

This can be operated on a rota system and if we get enough volunteers this would only mean giving up an hour of your time for the coming year.

We are also looking to get the PTA up and running as we know there is a lot of talent amongst the parents and teachers that could be used to support the College. We are looking for parents/carers who would be willing to join the committee to help raise much needed funds that would be beneficial to your sons and the College. We would welcome any new ideas that you may have for fund raising events. We would love to hear from parents/carers who would be willing to be involved in such a worthy cause for the College.

It is important that the school and parents work together to provide great ideas in order to organise events for students, parents and the community around the College. For further information and details please contact Mrs J Cross by email on [jcross@sjc.ac](mailto:jcross@sjc.ac) or complete the slip below and return it for her attention via the school office.

Yours faithfully

Mr D Garrido  
Headmaster
