31ST MARCH 2023

ST JOSEPH'S NEWS

The Newsletter of St Joseph's College

RESPECT FOR SELF | RESPECT FOR OTHERS | RESPECT FOR FAITH | RESPECT FOR LEARNING | RESPECT FOR COMMUNITY

Dear Parents/ Carers,

This week was the final week at school before the Easter break. We would like to thank all families who have contributed towards our Lent CAFOD Charity Appeal. The money will greatly support those in need.

Inevitably as we approach the end of term, we have to say goodbye to some staff members who are leaving us for pastures new; Mr Quinn and Ms Lalji. We thank them for all they have contributed to St Joseph's College and wish them luck. We also welcome our new Head of PE, Mr Monk and Science Teacher Mr Onyeka . Both join St Joseph's with a wealth of experience. As you will be aware from the letter from the Chair of Governors, I expect to commence maternity leave at the start of May. Whilst Mr Mantillas is Acting Headteacher during this time, Mr Nelson will take on the role of Associate Assistant Headteacher Pastoral. Mr Nelson has worked at the College for the past ten years and is a highly experienced Head of Year with extensive pastoral experience.

Many of our students are entering their last few weeks of study before their GCSE or A Level exams. Elevate attended the school on Thursday to support Year 11 with a Study Skills session- we hope they found the strategies and ideas shared useful. We realise what an intense time this can be for students but want to reiterate all the support that is in place for them through focussed revision sessions and intervention. We know they will do themselves proud and we look forward to seeing many of them on site over Easter for their allocated revision sessions.

Over the past few weeks Heads of Year have celebrated the success of students with Rewards Assemblies. Well done to all those students who received recognition. Year 11 enjoyed a Rewards Trip off site yesterday and post Easter Years 7 to 10 will enjoy theirs.

We hope you have a very happy, peaceful and Holy Easter break with your family and we look forward to seeing you and of course our wonderful students when we return to school on Monday 17th April.

CHAPLAINCY REFLECTION

Mr T Arthur

Easter message

The message of Easter remains a message of hope for us all. Though we mourn Jesus' sacrifice on Good Friday, we rejoice at his rising. His resurrection marks the triumph of good over evil, sin and death. It reminds us that Jesus is alive and in our midst and he welcomes us in a new life with him. This event is also a powerful reminder to us all that trusting in God will pull you up even from the depths of despair.

I have been inspired by Pope Francis' recent visit to DR Congo and South Sudan. His journey was one of hope and peace but perhaps more importantly it was a message of unity between Christians denominations. Pope Francis' message in South Sudan is one which is typified within our College. On a daily basis, our students are building bridges and they are open to coming together as Brother and Sisters regardless of background and ability. Our students live the 5 Respect both inside and outside of the College. Their actions are examples which many adults and global governments can learn from!

Pope Francis in South Sudan

Lasallian Awards

Our Lasallian district has created the 'Lasallian Awards 2023'. This is an opportunity for students to showcase how they practise our Lasallian Ethos (5 Respects). As the first Lasallian School in Great Britain, it is important that our students take part in this wholeheartedly; please encourage your child to take part. More information can be found on Satchel One.

Y7-Y11

• If your name is called on the lottery draw, you will receive a small prize for yourself but in addition you will win a prize for entrants of the same category from your school. E.g. this might be a pizza party or some other fun activity in school.

- As always, complete ONE activity from EACH Core Principle to receive a BRONZE AWARD,
- Complete THREE activities from EACH Core Principle to receive a SILVER AWARD
- And complete FIVE activities from EACH Core Principle to receive a GOLD AWARD.
- All entrants will receive a certificate.

KS5 (Sixth Form) The new Platinum Award

• If your name is called on the Lottery draw, you will receive a small prize for yourself but in addition you will win a prize for entrants of the same category from your school. Eg/ this might be a pizza party or some other fun activity in school.

• To qualify for the Platinum Award, you need to complete one activity from each Core Principle. As you will see, the activities are designed to be more in depth and more appropriate for our more senior students in Lasallian Schools and Colleges.

• All entrants will receive a certificate.

Trips And Events

Birmingham MEP Trip

On Tuesday evening, the Year 10 Mandarin Excellence Programme students set off to Birmingham to take part in the 'Journey to the east -A Voyage of Discovery' with Mr Austin and Mr Dench. And what a journey it was - the event was formally opened by Nick Gibb MP, and then the 1,500 students from around the country were taken on a journey.

We are able to listen to panellists speak about a variety of topics including China and how it's history and how that links to the future, as well as an insightful presentation about Xi Jinping – China's current President.

We took part in panel discussions about studying Mandarin and university and using Mandarin in the world of work. And we listened to lectures about Chinese cartoon and the rise of internet fiction.

The lunch interval provided the students with the opportunity to taste different Chinese foods, and to enjoy calligraphy, tai chi and Chinese music, before settling into our highlight of the event – a concert by our favourite band, Transition, who belted out their greatest hits including 对不起我的中文不好

An amazing trip. The boys were impeccably behaved and presented, and were fantastic ambassadors for St Josephs College.

Impressive calligraphy

Playing the Pipa

KPMG Visit

Earlier this week a group of Year 12 students visited KPMG in Canary Wharf. Here is a summary of the day written by Brandon Brown (12 Hill).

On Monday 27th March, KPMG gave a group of SJC sixth formers an opportunity to visit their office in Canary Wharf. The experience, from the second we stepped in, to the moment we left, was absolutely amazing. Firstly, we were given a brief introduction to the company including information regarding work experience and graduate programmes. We then toured the building, where we saw it's interesting architecture, and elite work environment.

After the tour, KPMG hosted a workshop for us which kept us engaged and entertained. The most notable part was about interview skills: first impressions, body language and technique, which made us conscious of our strengths and weaknesses in our performance. Finally, I'd like to thank the staff (Mrs Weinberg and Mrs Cashmore) for their time and effort and St Joseph's College for this opportunity.

Student Rewards

Year 11 Rewards Trip

This week has been full of fun and celebration as the top earners in Year 11 were rewarded with an exciting trip to the bowling alley. After bowling, they hit the arcades before finishing up at Mcdonalds. A fantastic day!

After Easter Year 9 and 10 can look forward to a trip to the cinema, Year 8 will go to the climbing wall and Year 7 will visit a local farm.

Bowling fun

Mikhail's Speech

Rewards Assemblies

The end of term is always a joyous time as we celebrate all the students with the most house points in each year. Students are given a certificate and a badge that they can proudly wear on their uniform.

In addition to this, there are also the Tutor awards for those who have impressed Tutors by excelling in one of the five respects. They are rewarded in front of the whole year in the Chapel. Mikhail Hana from 9 Netherton gave a rousing speech when he accepted his award, to much applause from the rest of the year. It was great to see the huge level of celebration and mutual respect in the room.

Health and Safety Morning

On Tuesday students enjoyed a health and safety morning in their tutor groups. This was an important way of them learning essential skills to help them stay safe. Students had sessions on fraud prevention, cybercrime and responding to emergencies. Later in the day they also participated in a workshop about the dangers of drugs and alcohol.

Thank you for the Daniel Spargo-Mabbs foundation for their powerful workshop on the dangers of drugs and alcohol.

A drug and alcohol workshop

This Week In PE

It has been a slow week by our standards, as we wind down for the Easter half term. It has been a busy term!

Year 7 Futsal Tournament

The only action of the week, was the hosting of the Year 7 House Futsal Tournament. This was ran by a group of our Year 13 students as part of one of their units on their sport course. The winners were 7 Brooklands. Well done to all competitors, and well done to the Year 13s on a fantastically run event.

A very well organised event

Farewell

As Mrs Kane mentioned, this will be my final term at SJC as I move back up north. I just want to say a massive thank you to all staff who have helped me in some way over my three year stay here and to all of the students who have made this such a great place to work.

GCSE PODs

Well done to the top achievers on GCSE POD this week! Year 10

3 Denis Furculita

1 Dylan Ntim 2 Michael Oyeneye Year 11

1 Aadam Effendi 2 Rhys Evans 3 Jacob Laurent-Cummins

Upcoming Dates

Monday 17th April - Students return to school

Friday 28th April - PTA Quiz night

We hope you have a very happy, peaceful and Holy Easter break with your family and we look forward to seeing you and of course our wonderful students when we return to school on Monday 17th April.
