

ST JOSEPH'S COLLEGE

LASALLIAN:
*You are part
of the miracle*
Our Vision.
Our Passion.
Our Future.

7 July 2021

Dear Parent / Carer,

RE: Collection of A-level / Level 3 Vocational Examination Results – Tuesday 10th August

I hope you and your family are keeping well, despite the on-going global situation.

In light of the current requirement for social distancing, collection of A-level and Level 3 vocational results will be slightly different this year to minimise crowding and person to person contact. Students will be able to collect their results from **8:30 – 10:00 on Tuesday 10th August 2021** from the following locations in the north block of the main school building.

Group (Surname)	Location
A-D	N22
E-K	N23
L-N	N24
O-Z	N25

Students should arrive via the service road entrance to the side of the College. They should proceed to the main school playground and then enter the north block from the playground doors. They are to go straight up the staircase to the top floor, and proceed to their assigned classroom. Students are to follow any COVID related guidance that is in force at that time.

Once they have collected their results, students should enter the Sixth Form Centre on the top floor of the north block, where they will be able to access phones and computers (should they wish to) in order to complete their UCAS decision / contact their university / apply for clearing. Staff and careers support will also be available should students wish to discuss their results. Students should subsequently leave site via the exit in the back of the Sixth Form Centre.

If students have any old textbooks that they no longer require, please encourage them to bring these with them on results day and donate them to the Study Centre. We are currently in the process of trying to build a resource library of textbooks for students who may be unable to afford to purchase their own books. Therefore, any donations would be greatly appreciated (the condition of the book does not matter).

If students are unable to collect their results and require them posted, please provide reception with a **self-addressed and stamped envelope before the 20th July 2021.**

If anyone else is collecting results on behalf of a student, the **student** must write a signed letter stating the named person who will be collecting the results. On the day, the named person must bring valid photographic ID. We cannot give results to any other person without the candidate's permission.

Yours sincerely,

Dr K Woodburn
