

# St Joseph's College: Show My Homework.

## Submitting Work Online via the Browser

On a computer, your online homework will have three tabs along the top: Description, Results, and Submit.

1. Select *Submit*
2. Next, either type your answer online in the text editor or upload a document from your computer, Google Drive or Dropbox
3. Then click on *Submit assignment to teacher* to notify your teacher of your submission

You can also save your progress as a draft at any time and come back to finish the task later.

The screenshot shows the 'Show My Homework' interface for a user named Jack. The page title is 'The Human form' (7/Eng1). There are three tabs: 'Description', 'Results', and 'Submit'. The 'Submit' tab is active. The main content area is titled 'Online homework submission' and contains a text editor with the text 'Hi Mr. Gohil, please find my homework attached below.' Below the text editor is a file upload area with a cloud icon and the text 'Upload files by dropping them here (25MB)'. There is an 'Add attachments' button. Below the upload area, a file named 'Human\_form\_homework.docx' is shown with a 'Download' link. At the bottom, there are two buttons: 'Submit assignment to teacher' (highlighted in green) and 'Save as draft & continue later' (blue). Two red callout boxes provide instructions: one points to the 'Add attachments' button and the other points to the text editor.

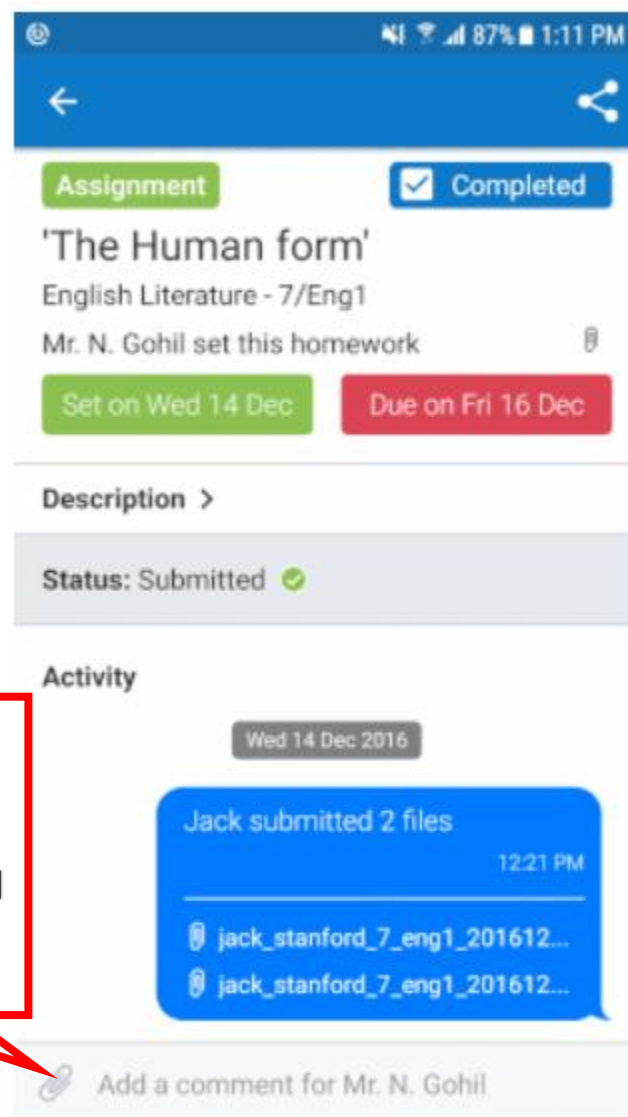

Or you can click add attachment and add a file, then click submit.

You can type your response in here and click submit.
