

ST JOSEPH'S COLLEGE

26 March 2019

Dear Parent/Carer

Year 13 Easter Revision and Coursework Support Sessions:

At St Joseph's College we are committed to ensuring that all students achieve their potential in their A Level studies. Next term will be a significant and demanding month for all Year 13 students as the final drive on revision and coursework concludes. These qualifications are students' opportunity to demonstrate their knowledge and be rewarded for all their hard work, commitment and dedication to their studies over the past two years and ultimately 12 years in education.

We are extremely pleased to be able to offer students Revision and Coursework Support Sessions free of charge. The sessions are designed to aid students in structuring their completion of coursework and revision over the school break and to support students in achieving the highest possible grades they can. We strongly urge all students to attend the appropriate sessions offered to them and we therefore need and value your support in ensuring your son/ daughter attend the sessions relevant to their area of study.

Overleaf are the details of the sessions offered to Year 13 students, including the date, time and room. Please note, it is important students arrive at the start time indicated below. This is to avoid any disruption to the learning and progress of students during the session. Students may wear their own clothes to the sessions and for those sessions longer than 2 hours, breaks will be provided.

Please complete the consent form and return it to Mr Owusu-Boadi no later than April 3 2019 to confirm your son/ daughter's attendance at appropriate sessions.

We would like to take this opportunity to wish you a restful and productive Easter.

Yours faithfully,

Mrs C Kane

Assistant Headteacher

ST JOSEPH'S COLLEGE
